

## APPLICATION FOR FINANCIAL AID

Applications for financial aid are welcome, though the Institute regrets having only a few scholarships available usually in amounts of \$250 and occasionally up to \$750. To be considered for financial aid, please note that your completed Chez Vous Application Packet and this Financial Aid Application must both be postmarked during the Early Application Period which ends on Friday, January 15, 2010.

You will be notified by February 5 regarding your acceptance into Chez Vous and whether any financial aid is available. If Accepted, you will be enrolled automatically in Chez Vous regardless of financial aid availability. But you can still withdraw from the program without penalty by written request, signed with the same signature as on your Application, and postmarked by **February 27**. (Even a quick postcard is sufficient, but we do need something with your signature on it.) Your deposit will be fully refunded.

**Cancellations postmarked after February 28** are subject to the normal Cancellation and Refund Schedule.
