

TRAVEL PLANNING

Shortly after May 1 (and after full payment has been received), you will receive a **Travel Packet** with final flight and Paris arrival instructions . . .

Please note the address at which you would like to receive this Packet – no P.O. Boxes please:

Street: _____ City: _____

State: _____ Zip: _____ Phone: _____

Please carefully indicate your choice of travel if accepted into Chez Vous.

After application, flight option changes are usually impossible or else require a high change fee. Flight itineraries vary each year according to travel demand – from non-stop flights in a good year up to two connections in a difficult year.

Option 1: *(No additional charge, unless using different return date.)*

Please book my round-trip flight from the following city (includes any airport serving each city). I understand that this option also includes round-trip ground transportation to Normandy provided by the Institute.

___ Wash DC ___ Atlanta ___ New York ___ Chicago

Later return date (\$95): _____ (if you want to return on a date up to 6 weeks later than your group's return, please indicate that date here. For any other customized travel preferences, please select Option 2 or 3 below. Please note that independent travel is possible ONLY before or after the Chez Vous program.)

Option 2: *(The additional cost of your connecting flight will be billed to you separately.)*

Please book my round-trip flight from one of the following airports. I understand that JLI will bill me according to the table at the right, and that this option also includes round-trip ground transportation to Normandy provided by the Institute.

1st Airport Choice: _____

2nd Airport Choice: _____

(For 2 Airport Choices - subtract \$75)

Later return date (\$95): _____

	International Airport	Regional Airport
Eastern/ Central Time Zone	\$ 265	\$ 320
Mountain/ Pacific Time Zone	\$ 370	\$ 495

Option 3: *(\$650 will be credited to your program fee.)*

I will make my own round-trip travel arrangements to France and to the Institute in Normandy. JLI will provide easy directions for how to get to the Institute from the Paris airport (usually by train).
